OVERALL COMMENT: Paige is going to be an outstanding English teacher. She has the ability to interact and positively affect students at every grade level - from the middle school through the high school. She works well with her students providing high standards for them and they generally seem to reach those standards. Her cooperating teacher is young and models an appropriate relationship with her students. Paige is not afraid to take risks and challenge her students. Her creative writing unit to her eighth graders is truly an outstanding learning experience that the students will carry with them as they move up to Legacy HS.
